

# American Revolution Deluxe Series ARDCL

## Full Cutoff LED Colonial Lantern

The upscale aesthetics and install-friendly features of the ARDCL Full Cutoff make it an extremely versatile product. It's especially well-suited to residential areas, city streetscapes, green spaces and retail areas, but the universal appeal of the ARDCL makes it compatible with almost any application.

Utility-friendly features like its tool-less cupola, pre-wired terminal block, and optional trigger latch make installation a breeze. The ARDCL is also available with a decorative ladder rest (optional). State-of-the-art surge protection provides outstanding protection against electrical disturbances, while advanced controls options further enhance system life, energy reduction and asset management.

### Key Selling Points

- Zero-uptight to minimize light pollution and protect the night skies
- System life rated at 100,000 hours at 25°C ambient (per LM-80)
- Optional 20-year life photocontrol
- Best-in-class 10kV/5kA surge protection with 20kV/10kA option
- Downward lumens exceed that of a typical 150W HPS platform
- Classic, traditional colonial styling
- Advanced controls compatibility
- Tool-less entry and installation features
- Factory-programmable drivers for enhanced design flexibility
- DALI-enabled drivers now available upon request
- **Municipalities:** Energy efficiency and holistic longevity make it an excellent solution for renovating legacy streetlights
- **Utilities:** Lineman-friendly features make it easy to install; its long, reliable operating life reduces the hassle of lighting grid maintenance (especially when paired with ROAM® smart controls)

### Quick Facts

- 50-150 watt HPS replacement
- 100 watt MH and 175 watt MV replacement
- ANSI C136 20kV/10kA surge protection option
- Types 2, 3 & 5 distributions
- 2700K, 3000K, 4000K CCT & 5000K CCT, 70 CRI minimum
- CSA listed to operate at 35°C
- Weight ~26 lbs

### Applications

- Residential areas
- Municipal streets and public roadways
- Parks & recreation centers
- Rural residences
- Commercial districts

# Simplified installation and controls

The American Revolution Deluxe ARDCL Full Cutoff Series provides several user-friendly features that facilitate simple installation and maintenance to save you time and money. Enhancements like a variety of industry-leading surge protection options set the ARDCL apart from competitive alternatives. State-of-the-art controls from Acuity Brands® are easily integrated into the system through the 3-pin or optional 7-pin photocontrol receptacle that future-proofs your LED investment against obsolescence.
