

Chisel™

Revealing the Shape of Light

Sculptures bring out the beauty in clay; there all along but now revealed. Chisel™ reveals the shape and dimensionality of light with soft directional gradients and textures that add depth and character to any design. With multiple dimensions of choice and the same high performance expected from any Mark luminaire, your design freedom is endless. Let your creativity take shape!

- Five sizes: 1'x2', 2'x2', 2'x4', 1'x4', 6"x4'
- Four directional gradients: Side, Corner, Parallel and Full
- Three textures: Pyramids, Weave, Minimalist
- Tunable White
- 1000 to 8000 delivered lumens
