

BLTBA Series

Bottom-Access BLT LED Troffer

Best-In-Class Performance Meets Practicality

The BLTBA LED troffer by Lithonia Lighting[®] combines the industry-leading performance of the BLT Series with the added convenience of access to the light engine and driver without entering the plenum space. The BLTBA troffer's efficient LED technology, multiple controls and lumen output options make it ideal for a wide range of applications including schools, healthcare, retail, office and other commercial spaces.

- Available in 1' x 4', 2' x 2' and 2' x 4' configurations
- Contemporary design that complements most commercial applications
- Available with dimming options down to 1%
- Optional nLight[®] controls solutions

With the unique bottom-access feature and a low-profile design, the BLTBA troffer offers greater installation and maintenance flexibility.

Integration with nLight® AIR Networked Lighting Controls

nLight AIR wireless lighting controls are a smart solution that aids in energy code compliance and simplifies lighting configuration. With a full portfolio of control and network devices, nLight AIR helps reduce total install time with fewer devices, no new wiring and the easy-to-use CLAIRITY™ Pro mobile app to streamline start-ups.

Benefits of nLight AIR

- Embedded sensors simplify installation without obstructing the design of the luminaire
- Offers both indoor and outdoor options for a holistic lighting network solution
- Aids in meeting and/or exceeding state and local energy codes for renovation and new construction projects
- Saves energy with occupancy and daylight sensing, automated timeclock and native demand response
- Robust 5-tier wireless security architecture

1
Install nLight® AIR enabled fixtures. The embedded smart sensor helps to achieve energy code compliance.

2
Install wireless battery powered wall switch. Multiple configurations available to meet the needs of your customer.

3
Download the CLAIRITY Pro app, pair the fixtures to the wall switch and configure the lights to match your space.
